Home readers

Students in K/1 are asked to look at home for any home reading books and return them to school ASAP. We have a number of books missing so please check around the home.

Library Books

We would like all library books to be returned ASAP so we can prepare the library for stocktake. Unreturned or lost library books costs will be invoiced to families so a replacement book can be purchased.

Lake Burrendong Excursion

Early next year primary students are lucky to be attending a 2 night excursion to Lake Burrendong Sport and Recreation Centre in late February. More information to follow.
